ANNOTATED BIBLIOGRAPHY ON CYBERBULLYING IN MLA8 STYLE

Horowitz, Merle, and Dorothy M. Bollinger. *Cyberbullying in Social Media within Educational Institutions: Featuring Student, Employee, and Parent Information*. Rowman & Littlefield, 2014.

This book was written in partnership with the American Association of School Administrators. For each constituency, students, employees, and parents, the writers discuss the educational aspects of cyberbullying followed by the legal aspects. The book's usefulness lies in its presentation of case studies with real-life examples. Offers many resources for educators.

Kowalski, Robin M., et al. *Cyberbullying: Bullying in the Digital Age*. 2nd ed., Wiley-Blackwell, 2012.

Offers a comprehensive overview of all forms of bullying before delving into cyberbullying. The authors present current research on the topic followed by prevention techniques for parents and educators. A very good up-to-date book with practical advice.

North, Anna. "An Easier Way to Fight Bullying?" *The New York Times Blogs*, 3 March 2015, op-talk.blogs.nytimes.com/2015/03/03/an-easier-way-to-fight-bullying/.

This blog post on bullying posits that there are ways in which bystanders or friends can help someone who is being bullied. It offers new perspectives on this endemic problem beyond the message, "If you see something, say something."

Phillips, Suzanne. "Cyberbullying Is Dangerous." *Bullying*, edited by Noah Berlatsky, Greenhaven Press, 2015. *Opposing Viewpoints in Context*, 2015, link galegroup.com/apps/doc/EJ3010956212/OVIC?u=cuny_laguardia&xid=b430c0b7.

This featured viewpoint offers four sections dealing with the problem of cyberbullying: What is cyberbullying, Why teens don't tell, Guidelines for responding to cyberbullying, and The bystanders. These sections are followed by an extensive bibliography of books and periodicals and internet sources. A concise, easy-to-read piece on the topic of cyberbullying and what can be done about it.

Stopbullying.gov. United States, Department of Health and Human Services.
www.stopbullying.gov/index.html. Accessed 13 Oct. 2016.

This is a comprehensive government website about bullying, gathering information from various governmental agencies. It includes tabs on definition, cyberbullying, who is at risk, preventing bullying, responding to bullying, and where to get help. Well-documented and easy to use.

Washington, Edwina Thomas. "An Overview of Cyberbullying in Higher Education."
Adult Learning, vol. 26, no. 1, Feb. 2015, pp. 21-27. *Academic Search Complete*, doi: 10.1177/1045159514558412.

Bullying is here defined as a social problem: This article provides an overview of cyberbullying followed by an examination of laws that have been passed to deal with it.

Weber, Nicole L., and William V. Pelfrey, Jr. *Cyberbullying: Causes, Consequences, and Coping Strategies*. LFB Scholarly Publishing, 2014. Criminal Justice Recent Scholarship. *ebrary*, site.ebrary.com/lib/lagcc/detail.action?docID=10951595.

Access to the Internet 24 hours a day 7 days a week has given rise to bullying online, or cyberbullying. This book focuses on qualitative and quantitative data on cyberbullying through social media among middle and high school students. The later chapters deal with coping mechanisms for the students themselves, for the school, and for parents. The book includes useful appendices for school personnel to deal with cyberbullying
