

Citation Examples for “Works Cited” List

At the end of your paper, you must provide an alphabetical listing of all the works you have cited in your paper. This requirement includes both work you have actually quoted and work you have summarized or paraphrased. The information is arranged alphabetically according to the author’s last name or, when there is no author identified, by title.

Images

Basic Elements

Creator’s Last Name, Creator’s First Name. *Image Title* or, lacking a title, Description of the Image. Creation Date. Location of the Image [museum or website]. “*Container*” of the *Image* [museum and/or book and/or website], relevant details, as needed [city, contributors, publication date, page number, URL, etc.].

Bearden, Romare. *The Train*. 1975, Museum of Modern Art, New York.
